

MODULAR SEATING SYSTEMS FOR THE ULTIMATE IN HOME THEATER STYLE AND COMFORT

**ICChairs™**  
MODULAR SEATING SYSTEMS

Finally, a solution for home theater seating! A comfortable modular seating system that allows you to mix and match components to design exactly the configuration for your needs. Order any combination of seats and arms for a single chair, a love seat, a sofa, or sectional theater seating. Customize with a variety of armrests, adjustable headrests, reclining backs, and elevating footrests. Available in dozens of colors and materials (shown above) including fabric, leather, and the remarkable new Nova Suede. All you have to do is put your feet up and enjoy the show! For more information about theater seating, visit our website: [www.imagecraftersinc.com](http://www.imagecraftersinc.com).

Chair frames are handcrafted of solid hardwood and metal mechanisms for years of rugged durability

Available in beautiful top grade leather, 84 striking colors of plush Nova Suede™, great fabrics, or you send us the material

A wide variety of armrests including ends, single center, double center, angled center, table center, with or without cup-holders

Seatbacks recline independently with fully adjustable tension so everyone can get as comfortable as they like

Optional height adjustable headrests also tilt forward to suit your individual body type and height for maximum comfort

Footrests are totally independent of all other functions; kick back or sit up, any way you choose your feet are elevated
